

YOUR MASTER GOALS FOR _____

Let's go ahead and plan out your goals for the next 12 months.

While the template below may very much appear to be a template, consider this your Treasure Map en route of finding the "X" (your goal) that marks the spot!

Don't forget to give yourself rewards along the way! While pirates prefer rum on their long voyages, feel free to treat yourself to a night out, a day off, or a day at the spa for your good work!

WEEK January February March April May June July August September October November December
